ABOUT US

**CKG ACCOUNTANTS LIMITED**

is an established independent professional firm in Cyprus focusing in business needs. Our firm, uniquely combining the talents and competences of its professionals, addresses and delivers clients' needs above their expectations. By developing a clear understanding of each client's needs, our aim is to provide them with a personalized service of absolute top quality.

Our clients can expect the highest level of skill and dedication from us in providing them accounting, audit, tax, Company administration and financial services.

Our professionals and associates with over 15 years experience, trained within the big four firms and prestigious organizations in Cyprus and abroad, work hard and efficiently in an environment founded on respect and trust and are dedicated on establishing longterm and lasting business relationships with our clients.

Our firm is a member of the Institute of Certified Public Accountants in Cyprus (ICPAC).

SERVICES

We provide a range of services covering four main areas: Accounting, Audit and Assurance, Cyprus Tax and VAT, Company Administration.

ACCOUNTING

Our experienced book keepers and qualified accountants will be keen in providing the following services to our clients:

- Maintenance of accounting books and records
- Book keeping services at the client's premises (on client's request)
- Preparation of Management Accounts
- Preparation of Financial Statements
- Supervision and advising of accounting department to be in line with Cyprus legislation
- Payroll preparation

AUDIT AND ASSURANCE

The journey to success is governed by increasingly complex and broadening regulatory requirements and shareholders demands. At CKG Accountants Limited, we provide strong independent assurance on the financial information and statements to shareholders and constructive input to management.

TAX AND VAT

CKG Accountants Limited offers a wide range of tax and VAT services in Cyprus. We provide support to our clients in preparing and submitting tax and VAT returns forms in accordance with Cyprus legal requirements and administrate the payments of applicable taxes. In addition to the preparation and filing of returns, CKG Accountants Limited can understand the tax

and VAT obligations and requirements of each client. Through a strong network of Tax professionals and VAT experts we can assist clients with customized tax planning, international tax planning, tax advice and tax rulings.

COMPANY INCORPORATION AND ADMINISTRATION

Through a network of highly experienced professionals, business associates and legal consultants, we are able to help with the incorporation and administration of clients' local or International Business Companies. Services which can be provided include the following:

- Incorporation of Companies.
- Representation and Nominee Services – nominee shareholders and directors, Company Secretary and bank accounts signatories.
- Companies Administration – Maintenance of the statutory books, preparation of directors' minutes and specific power of attorneys, drafting and preparation of documents, preparation and submission of Annual Returns.
- Company's Support Services – Company's secretarial and office facilities, mail handling, personnel recruitment, etc.
- Legal Services – Our strong network of legal consultants are available to provide a wide range of legal services to a broad range of companies.
- Banking Services – Assist with the opening of bank accounts in Cyprus and abroad, bank reference letters, etc.

ABOUT CYPRUS

Cyprus is a full member of the European Union as from 1st May 2004. It is located in the south eastern part of the Mediterranean Sea, bordering with three continents.

Cyprus is an already established international business centre with a wide network of Double Tax Treaties, an excellent legal and economic infrastructure and numerous other advantages. This, together with various other non-tax advantages make Cyprus an ideal destination for establishing business in or through Cyprus.

Please contact us and we will explain how the Cyprus tax regime can offer uniquely a number of opportunities for your tax planning.
